# Rice Community Giving On The Rise

For the past several years, the Rice community has responded generously to the Annual Fund appeal. Last year, we had a tremendous response to the Hauke Challenge and we thank you for making Rice High School a part of your annual charitable giving. We acknowledge your gift in support of the Rice Mission and our commitment to academic, spiritual and personal excellence for over 50 years. Know that your gifts are stewarded effectively and have a direct impact on the daily lives of Rice students as they participate in programs supported by the Annual Fund.

The 2010/2011 giving year was a great success. Thanks to your generosity, we received a record breaking number of gifts.

- **One in every ten gifts was from a new donor.**
- **We received gifts ranging from \$2 to \$37,500.**
- **Leadership gifts (\$1,000 and up) increased 25% from last year.**
- **The majority of all donations were \$100 or less.**
- **The Annual Fund goal was exceeded by 20%.**

*On behalf of everyone at Rice Memorial High School, thank you!*

# Greetings from the Principal

Dear Friends:

Greetings from Rice Memorial High School! As this Annual Report arrives in your homes, Rice begins its 53<sup>rd</sup> year of forming high school students in the light of the Gospel of Jesus Christ. The availability of such an educational opportunity for many of our students is due to your generosity. So it is with great pleasure and sincere thankfulness that I introduce Rice Memorial High School's 2011 Annual Report. In the name of the Rice community, I thank you the benefactors of Rice for partnering with us in keeping the mission of Rice Memorial High School alive.

Your contributions to the Annual Fund help make graduation from Rice possible for nearly half of our student body. Rice awards in excess of \$500,000 a year to families for financial aid. As a ministry of the Catholic Church, it is vital that we keep our doors open to those who can show true financial need. It was once said that a Catholic school ceases to be Catholic when a poor carpenter from Nazareth would not be able to send his son to a Catholic school. Still, the mission of the Church must be balanced with the cost of education in 2011. Rice's annual budget is now over \$4 million, and that is accomplished only with the sacrifices made by our dedicated cadre of staff and teachers.

In the name of Rice, I would like to thank our dedicated faculty and staff and, in particular, all those who have worked tirelessly to help us surpass our goal. I am deeply grateful for their time, effort, and dedication to advancing the mission of Rice Memorial High School.

It is my hope that the list of donors found in the pages of this report will inspire you to continue to support Rice Memorial High School. Please know that the benefactors of Rice are prayed for at daily Mass at Rice, and on Fridays the intention of the Mass is for our benefactors. Again, may God bless you for your generosity and kindness toward Rice Memorial High School.

Sincerely in Christ,

A handwritten signature in black ink that reads "Rev. Bernard W. Bourgeois". The signature is written in a cursive style with a large, prominent initial "B".

## Rice-Cathedral Giving Society

Gifts to Rice Memorial High School have a direct and immediate impact on our students. Your gifts provide us with vital, flexible dollars that fund academic, athletic and extracurricular programs and activities throughout the school year. Your generosity and support is a sign of your commitment to the mission of Rice.

The list of donors includes those who made contributions of stock or gave cash directly to Rice Memorial High School between July 1, 2010 and June 30, 2011, for which no goods or services were received. We also gratefully acknowledge our Rice community volunteers for their time and enthusiasm.

## Booster Contributors

Rice Athletic Boosters is a volunteer group of Rice parents and friends who lead the efforts to raise necessary funds that support the athletic program at Rice High School. Each year, the Boosters enlist the help of the Rice community through activities, events and fundraisers. The funds generated through the efforts of many directly benefit all Rice students, athletes and coaches and are used for equipment and other resources needed throughout the year.

We express our gratitude to the Rice Athletic Boosters, for their leadership and generous commitment to Rice. We also thank *YOU*, our Rice families, alumni, friends and businesses who made donations of time, money, food and auction items.

*Together, in the spirit of supporting Rice student-athletes, your contributions raised over \$30,000.*

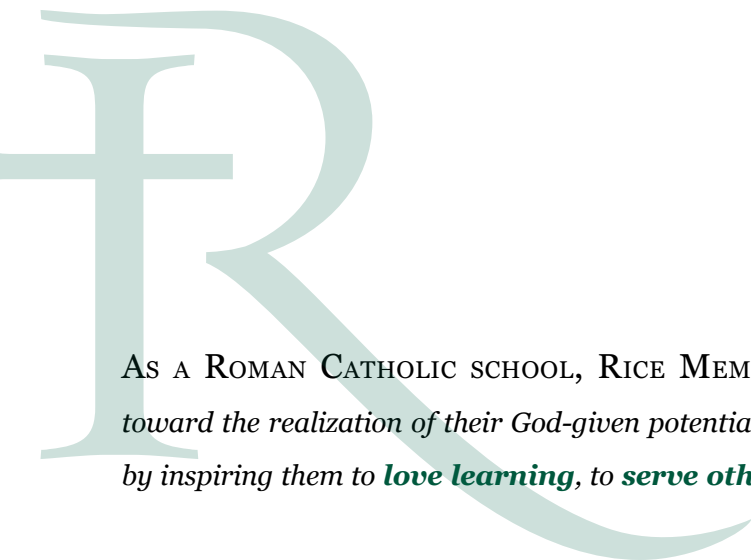

*thank you!*

A large, light green, stylized letter "R" is positioned on the left side of the page, extending vertically from the middle to the bottom. It has a thick, rounded top and a long, sweeping tail that curves to the right.

AS A ROMAN CATHOLIC SCHOOL, RICE MEMORIAL HIGH SCHOOL EXISTS TO GUIDE ITS STUDENTS *toward the realization of their God-given potential. Rice teaches students to recognize and develop their gifts by inspiring them to **love learning**, to **serve others** and to **seek God** through Jesus Christ and his Church.*
